PROFESSIONAL SUMMARY

I am a passionate Front End Web Developer with 1 years of experience in web development. I have expertise in HTML/CSS, JavaScript, Bootstrap and React.js Next.js. I have developed numerous websites and web applications that are fast, secure, and user friendly. My ability to work collaboratively with clients, design teams, and developers has enabled me to create successful websites and web-based solutions for my clients. My biggest achievement is developing an Dynamic Website platform for a global client. I also have excellent communication and problem-solving skills that help me to create the best possible solutions for my clients. I'm highly organized, detail-oriented, and committed to meeting deadlines.

EXPERIENCE

Front End Web Developer 2024 - Now
Web4linkindia, India, New Delhi

As a Front End Web Developer at Web4linkindia, I was responsible for creating visually appealing and user-friendly websites. My role involved collaborating with designers and back-end developers to ensure seamless functionality and optimal user experience. With my strong knowledge of HTML, CSS, and JavaScript, I successfully delivered high-quality projects that met client expectations.

- Developed responsive websites using HTML, CSS, JavaScript.
- Collaborated with designers to create visually appealing designs.
- Ensured cross-browser compatibility and optimized website performance.
- Implemented SEO techniques to improve website visibility.
- Maintained and updated existing websites as per client requirements.
